

Arete Homeschooling Collaborative Policies 2026-2027

The basic principles that comprise the foundation of Arete Homeschool Classes are: **Honor and Glory to God, Grace, Love, Respect, Truth, and Excellence.** With these principles in mind, we ask that parents, students, and instructors treat each other with respect, show each other grace, and behave in a manner that is honorable to God. Should a conflict arise, we ask that all parties follow the Matthew 18:15-20 and Matthew 5:23-24 guides for Christian conflict resolution. Any actions on the part of parents or students considered to be divisive or contrary to our stated principles above or policies herein will result in a conference with the board of directors and/or potential expulsion from the academy.

Communication: Transparency and open communication are paramount for any group to succeed. Arete leaders and instructors use Google Classroom as a platform to communicate with parents. Parents are required to set up a free Gmail account for each of their students enrolled with Arete, as well as a parent account. To foster open communication, instructors strive to regularly communicate with parents regarding home assignments, student progress, behavior, and effort. Parents are asked to communicate openly and in a constructive manner with instructors regarding any concerns. Parents are to inform each instructor if their student is unable to attend class.

Parental Expectations: As our name indicates, we offer collaborative classes. We are not a private school. Our classes aim to create a partnership between parents and instructors. Parents are expected to monitor student progress and content mastery while ensuring that students are completing all at home assignments. It is the responsibility of the parent to maintain records and keep grades, if desired. Students will receive the maximum benefit from our classes when parents remain involved and ensure that students complete assigned work at home. While parents are not required to remain on campus, parents are welcome to attend classes. Parents who do attend classes must remain along the side or back of the room and reserve questions for the instructor until the end of class. If a parent's presence becomes a distraction to the class, the parent may be asked to wait outside the classroom.

Orientation: All parents and students enrolled in Arete Homeschooling Collaborative are required to attend a mandatory orientation meeting, which will take place on August 17, 2026.

Student Expectations: Because it is our goal to attain "Excellence for His Glory", students are expected to behave in a manner which exemplifies this motto. Students are expected to put forth their best effort in each of their classes, to complete all home assignments on time, and to treat their instructors and classmates with respect. Students are expected to treat others with kindness and to follow the Golden Rule.

Homework: In order to obtain the maximum benefit from our classes and to maintain a standard of excellence, students are required to complete home assignments on time. Home assignments and assigned reading are mandatory.

Discipline: All students are required to sign the Arete Honor Code. If a student exhibits behavior contrary to the Honor Code or our stated principles and policies listed herein, the student will be subject to disciplinary action which may include: a meeting between the student and/or parent along with the instructor and/or Board of Directors or Director, requiring a parent to accompany the student to class for a period of time, or dismissal from Arete. The Board of Directors has the sole discretion to decide what type of disciplinary action is appropriate and if expulsion is necessary.

Attendance: As a courtesy to instructors and other students, parents must inform each instructor if a student will be absent from class.

Social Media: As a Christian organization whose goal it is to seek excellence and virtue while giving glory to the Lord, we want to build one another up and encourage each other to live in a way that brings Glory to the Lord. This includes how we interact with one another on social media. Students or parents who use social media in a way that is contrary to our honor code and stated principles will face disciplinary action which may include expulsion. This includes cyber bullying, profanity, vulgarity, inappropriate images and/or language, libel, and slander.

Cell Phones/Electronics: **Students are not permitted to use cell phones or electronic devices at any time while on campus except in the case of contacting a parent or for certain in-class activities deemed necessary by the instructor.** Students who are caught using an electronic device on campus will have the electronic device confiscated and held until the parent arrives for pick-up.

Sick Child: Parents should refrain from bringing their children to classes if anyone in the household has any of the following: 1. Cough 2. Fever of 100 F or higher 3. Diarrhea 4. Vomiting 5. Skin rash. 8. Sore throat with accompanying fever 6. A diagnosis of any other infectious sickness.

Facility: It is a privilege to have access to the facilities at First Nazarene. First Nazarene is a blessing to our group, and we want to be good stewards of their generosity. We ask that parents, students, and teachers respect the church property and employees by adhering to the following rules:

- Enter and exit the building quietly.
- No running inside the building.
- Do not interrupt the church staff or distract the church staff from their work.
- Only access areas of the church building for which our group is authorized.
- Vending machines are strictly off limits to students.
- Collect any personal items and trash from the classrooms and Fellowship Hall each day.
- Clean up the lunch area before going outside or returning to class.
- Students may not draw on the whiteboards unless directed by an instructor.

Because First Nazarene hosts an AA group that meets daily from 12:00 PM to 1:00 PM, the Fellowship Hall is off-limits between 11:45 AM and 1:15 PM. Additionally, parents and students must exercise additional caution when dropping off/picking up.

Lunch: Students may bring a sack lunch to eat during the lunch period. Students who plan to be on campus during the lunch period must enroll in the lunch period. Students may be allowed to go outside and play, weather permitting, under the lunch monitor's supervision once they are finished eating and have cleaned their respective area. K-2 students must have a parent or designated responsible adult present with them during the lunch period. Students must remain in the Fellowship Hall or outside (with an adult present) during the lunch period. Students may not go into classrooms until given permission by the lunch duty attendant.

Lunch Duty: Parents of students eating lunch at Arete will be required to help with lunch/clean up duty on a rotating basis. Parents may opt out of all lunch duty days for the year by paying \$150.

Cleaning Duty: Parents will be assigned afternoon clean-up duty on a rotating basis. Parents may opt out of all cleaning duty days for the year by paying \$100. Additionally, students will participate in classroom clean-up at the end of each day. We believe this encourages students to be good stewards of the facility.

Student Pick-up: Parents of students in grades 5 and under must pick up students outside the classroom. Parents of students in grades 6 and up may pick up students at the church entrance. Students waiting for parents at the church entrance must wait quietly so as not to disrupt the church staff. If an adult other than a parent is picking up a student, parents should inform the director, teacher, and/or study hall monitor with the name of the person providing the ride to the student.

Late Pick-up: Parents are asked to pick up students promptly after class. If a parent is later than 10 minutes past class end time, the student(s) will be placed in study hall and the parent will be charged a \$10 fee per late pick-up per student.

Door Duty: For the safety and security of our students, the door at City Church must remain locked unless we have an adult present to monitor the door. To spread this responsibility, all parents will be assigned a number of door duty slots for the year. Parents may opt out of all door duty days for the year by paying \$100.

Missed Duty: If you are unable to attend your assigned duty day, please find a replacement or trade with someone. In the case of a missed duty, the Arete administration will find a replacement and a \$25 missed duty fee will be assessed.

Payments: Payments for **course tuition** are paid for the full year except in the case of semester-long classes. Course tuition must be received by **August 17th** for the full year. Payment options for individual instructors will be made available at the beginning of August. An enrollment deposit of \$100/student and 50% of the **Registration, Facility, Materials Fee, Records, and Special Supply Fees** are due **by July 6th**. Registrations are not finalized until these payments are received. Registration fees are **non-refundable**. The enrollment deposit is **non refundable after July 20th**. Course tuition is **non-refundable after the first day of the semester**.

Enrollment Deposit: An enrollment deposit of **\$100/student** is due upon registration and is refundable once the first semester tuition has been paid in full. **A student is not officially enrolled in any courses until the enrollment deposit has been paid.** In the case of a course change or drop after **July 20th**, the enrollment deposit will be forfeited.

Materials Fees: The materials fee is \$10/class and is paid to Arete.

Refund Policy: In the case that all classes in which a student is enrolled become canceled prior to the start of the school year, Course Deposits, Registration, Facility, Records and Materials Fees will be refunded. In the case of a family withdrawing enrollment prior to the 1st day of classes due to a move outside of Bay, Walton, or Gulf counties, Course Deposits, Facility, Records, and Materials Fees will be refunded.

Registration fees are not refundable in any circumstances. Full tuition is not refundable after the first day of classes for the semester. The Arete Homeschooling Collaborative Board of Directors has sole discretion to make exceptions to the refund policy. In the case that a student is expelled due to disciplinary action, no refund will be given.

Study Hall: A study hall is available for students in grades 3 and up for 1st through 5th periods at a cost of **\$130/year**. Students in study hall will be placed under the supervision of a classroom teacher during class. Students who enroll in study hall must work quietly, be prepared with plenty of work, and ask the supervising teacher for permission to leave the class for any reason. If a student is disruptive to the class in session or repeatedly arrives unprepared with work, the student will be removed from study hall and no refund will be issued.

Canceled Courses: Instructors sign a contract to lead the course for the school year; however, circumstances may arise which cause the instructor to vacate the position. In the case that an instructor has to leave his/her position and no replacement is found, course fees will be prorated and refunded.

Student Supervision: Students on campus must be under adult supervision at all times. During class times students are under the supervision of the instructor; during lunch students are under the supervision of the adults on lunch duty. Any student not enrolled in class or study hall must be under the supervision of an adult who is present, be it parent or other designated adult. Students may not be in classrooms unsupervised or left to roam around the church. Students may not be upstairs or in the classrooms during lunch period. Students who are found without adult supervision will be placed in study hall and the parent will be charged the study hall enrollment fee. In some cases, the parent may be required to remain on-campus with the student.

Students may not leave campus with anyone other than a parent or (with parental permission) a family member or responsible adult. Exceptions can be made in the case that the student is finished with classes for the day and the parent has given Arete administration permission for the student to depart campus with someone other than a family member or responsible adult.

Academic Dishonesty: Academic dishonesty will not be tolerated in any form to include, but not limited to: plagiarism, use of AI, using study tools or aids for which the student has not been given permission, having someone other than the student complete work for the student, etc. AI may not be used to help with nor complete any work assigned through Arete instructors. If a student is suspected of academic dishonesty, the parent will be contacted and the instructor, along with the board of directors will determine the course of action which could include, a zero on the assignment, a zero for the class, expulsion from the class, or expulsion from Arete Homeschooling Collaborative.

Right to Deny Enrollment: Because Arete Homeschooling Collaborative is not funded publicly, Arete Homeschooling Collaborative reserves the right to deny or revoke enrollment to any applicant for any reason(s) undisclosed to the applicant. Upon the decision by the Arete Homeschooling Collaborative Board of Directors, the applicant will be notified via an e-mail, which may or may not list the reason(s) for denial or revoking of enrollment.

Student Expulsion: The decision to expel a student is one that is seriously considered by all members of the Arete Board of Directors. The decision to expel a student by the Board of Directors is irrevocable. In the event that a student is expelled from Arete Homeschooling Collaborative, any siblings or other family members living in the same residence or sharing the same educational leadership* will not be permitted to re-enroll in subsequent years. The Board of Directors will decide on a case-by-case basis whether or not family members are permitted to finish the current school year at Arete.

*sharing the same educational leadership indicates the same person as leader over the home education of the student and family members.
